oAK PROGRAM

Sixty gallon oak barrels age all of our Cabernet Sauvignon. A minimum of 40% of these barrels is new oak of which 50% is French oak and the rest is American oak which has been air dried for three years. The rest of the barrels are 1, 2 or 3 years old.

TASTING NOTE

In June 2006 we were recognized by Wine Spectator as one of the top 20 Cabernet producers in Washington State and two of our Cabernets were ranked in the top 100 Cabernets of the world. Ripe flavors of blackberry, bay leaf, olive, and anise are balanced by savory acidity and supple tannins. The finish is long and rich with aromas of vanilla, tea leaf, and mocha. Experience a classic Cabernet Sauvignon that will stand the test of time.
