TASTING NOTE

Cougar Crest has chosen Viognier as our signature white wine. It is the only white grape in our estate vineyards. We chose it for its unique heady aromas, rich mouth feel and the fact that it is so different from Chardonnay! This Late Harvest Viognier is dessert in a bottle. With heady aromas of honeysuckle, orange blossom, pear, banana, apricot, honeydew, and pineapple. Rich and exotic on the palate with a touch of acidity to keep it balanced. –Unforgettable!
