AWARDS

92 POINTS LOS ANGELES INT'L  
GOLD MEDAL LOS ANGELES INT'L

Tasting Notes

Albariño brings the windswept shores of Galicia, Spain to the Walla Walla Valley. Fragrant with floral, citrus, and distinctly tamarind aromas which come through on the palate, there is also minerality and acidity that gives it a strong backbone to pair with food or enjoy chilled on the patio. No residual sugar gives it a clean, aromatic finish, as exciting as the Northern coast of Spain.
