## TASTING NOTES

Cougar Crest Estate Winery makes Reserve wine only when we decide we have a unique lot of wine that raises above all the others. These Reserves usually have the longest hang time and are barrel aged longer to concentrate the flavors.

Harvested from the hillside location at Cougar Hills Vineyard, you can taste the warm days of summer in the ripe blackberry and dried cherry flavors. Aromas of anise, bay leaf, and cedar overlay the fruit flavors creating complexity. Density and richness on the palate languish on the finish with caramel, tobacco leaf, and spice. Wine Spectator has rated our Cabernets among the Top 100 Cabernets of the World. Enjoy the best that Walla Walla has to offer.
